Let There be Light

Security lights provide peace of mind

June's Co-op Proud product: Our popular outdoor security light (shown here), along with 250 watt, 400 watt and 1000 watt flood lights.

PEC-installed security lighting is not only the most convenient way to light up the exterior of your home, it's also economical.

The co-op installs and maintains outdoor security lights that come on at dusk and turn off at dawn. Outside security lights can illuminate a dark driveway or yard, and provide the extra light you need to safely move around your property outdoors after the sun sets.

Security light rental currently starts at only \$4 per month, plus usage cost. Installation, operation and maintenance of the light on existing poles are provided by PEC (certain restrictions apply).

If additional construction would be needed for a security light at your location, or to request a security light, please contact PEC's **Customer Service department toll-free 1-877-456-3031 or (580) 332-3031 (Ada area) Monday thru Friday, 8 am to 5 pm.**

Our popular outdoor security light, along with 250 watt, 400 watt and 1000 watt flood lights are featured products during June. That means you'll receive a FREE Co-op Proud CFL light bulb shaped night light and two (2) 60 watt compact fluorescent lights when you take advantage of the security light program any time this month. 1041200809

You could win . . . install a new PEC security light this month, and you'll be entered to win a Co-op Proud gift basket. Upcoming drawings will take place June 1, 2015, and September 1, 2015. The lucky winners will enjoy a variety of products produced and sold by nine member-owned and operated businesses from Oklahoma electric cooperatives. In addition, you'll also be entered to win PEC's final Co-op Proud drawing in December for a high definition android tablet.

CO-OP PROUD FOR 6 YEARS

Wes Wainscott began his full-time employment with the co-op in 2008, and currently serves as a Senior Line Technician.

Feel American on Wednesday, July 1, 2015 (9 AM to 6 PM)

6th Annual All-American Blood Drive

PEC is once again teaming up with Mercy hospital and the Chickasaw Nation Medical Center. Save the date. Join us!

Volunteers from PEC, Mercy and the Chickasaw Nation Medical Center will be serving up free food, tickets, t-shirts and prize drawings for a good cause on Wednesday, July, 1.

Donate the life saving gift of blood and enjoy hot dogs, chips and drinks from 9 am to 6 pm at the 6th Annual Ada All-American Blood Drive.

Each donor will receive a t-shirt, two admission vouchers

to the Oklahoma City Zoo and two admission vouchers to an Oklahoma City Dodgers game (*some restrictions may apply*).

Donors will also be entered in several great prize drawings, and do not have to be present to win. So far, drawing prizes include an electric ice cream maker and electric smoker grill sponsored by PEC and two Bedré Chocolate baskets sponsored by the Chickasaw Nation Medical Center.

All healthy persons 16 and older and

meeting certain requirements* are encouraged to donate blood. 1023500401

On average, close to 1,000 donors are needed statewide each day to meet all the needs of patients serviced by OBI in Oklahoma.

Ada's All American Blood Drive comes at a crucial time due to the decline in blood donors during the July 4 holiday week. In our area, 100% of the hospitals receive blood from OBI and its donors.
